SACRAMENTO.—An attempt was  
made tonight to hold up the Over-  
land express, eight miles west of the  
city. The engineer killed one of the  
robbers and then pulled out the train  
and reached this city. Sheriff John-  
son and a posse have gone to the  
scene in a special train.

BLACK RIVER FALLS, Wis.—The  
Jackson county bank was closed yes-  
terday on the petition of Thomas B.  
Mills, a stockholder. The petition-  
alleges that the bank owes depositors  
on demand to exceed \$45,000 and is  
insolvent.

MILWAUKEE.—The platform arrang-  
ed for Bryan to upon was erected in  
the midst of National Park comprising  
about ten acres in the South Side  
about three miles from the heart of  
town. The long distance, lack of  
facilities for transportation and threat-  
ening weather, probably prevented the  
crowd being as large as it otherwise  
would have had been. The  
ground surrounding four sides of  
the platform were filled with people  
as far out as the speaker could be  
heard. The crowd was variously es-  
timated at 6,000 to 10,000. Many  
ladies braved the dampness for an  
opportunity to hear Bryan speak.

SAN FRANCISCO.—The Chino ranch  
ranch at Chino Cal., passed from the  
Chino ranch company and Richard  
Gird former owner, by deed today to  
an English syndicate, the purchase  
price was \$1,600,000. The Chino  
ranch company reserve 1,000 acres of  
land and the townsite of Chino.

ERIC, Pa.—The Transcontinental  
relay passed here at 5:09 p. m., cen-  
tral standard time; seventeen hours  
late.

WATER VALLEY, Miss.—The men in  
the Illinois Central shops at this place  
were out to eight hours a day. A  
large number have been suspended  
during the past three months.

SAN FRANCISCO.—Chief Justice  
Beatty of the supreme court, signed  
an order which will permit Theodore  
Durant, the convicted murderer of  
Blanche Lamont, to remain in his  
present quarters in the county jail in-  
stead of having to go to San Quentin  
pending the decision on his appeal.

LONDON.—Tom Mann, leader of the  
proposed strike of the dock laborers all

over the world, said tonight to an  
Associated Press representative: "In  
the United States our proposition met  
with a cordial reception from Presi-  
dent Gompers, who has thoroughly  
distributed our literature in the pro-  
per quarters. The dock laborers and  
other members of the federation in  
America will quit work at the same  
hour our continental brethren lay  
down their tasks. If we wait until  
we have 780,000 men enrolled there  
will be no need for a strike as the  
employers will yield in the face of a  
threat of a general paralysis of ship-  
ping business in the whole world.  
It has been proposed that a general  
strike should commence on Septem-  
ber 20 next but I hope that will not  
be the case."
